界面介绍

分类变量描述性分析

The interface is titled "Choose .CSV File". It features a "Browse" button and a text box showing "No file selected". Below this, there are two input fields: "Explanatory variable (input the column number,x):" and "Response variable(input the column number,y):". At the bottom is a blue "Submit" button. Four red boxes with arrows point to these elements, each with a Chinese label:

- 导入数据** (Import Data) points to the "Browse" button.
- 输入自变量列数** (Input Explanatory variable column number) points to the "Explanatory variable" input field.
- 输入因变量列数** (Input Response variable column number) points to the "Response variable" input field.
- 点击查看结果** (Click to view results) points to the "Submit" button.
